OK; I think we have a draft CD & SOW for Gulfco – I will go thru them together to see that everything meshes; I think Larry did a draft PRN, so maybe together that's what we need for DOJ? I hope to get Gulfco mostly done this month, because in the early part of next month I have the San Jacinto FS review & Star Lake ROD comments/revision, then the San Jacinto Proposed Plan.

Thanks,

I've been out on vacation. This week and next week I will be out of the office most of the week, but the week of August 26, I'll be back full (part)-time. Can we wait to meet then? Thanks.

Are you available today or tomorrow to discuss Gulfco status?
